

Corporate Governance Officer:

In accordance with the decision made by the Board of Directors on March 6, 2023, the company has designated Manager Huang of the Finance Department as the Corporate Governance Officer to safeguard shareholders' rights and enhance the effectiveness of the Board of Directors. Manager Huang has over three years of experience in supervisory roles related to accounting, finance, taxation, and shareholder services in publicly listed companies.

The main responsibilities of the Corporate Governance Officer include handling board and shareholder meeting matters in compliance with laws, preparing meeting minutes for board and shareholder meetings, assisting directors with their appointments and continuous education, providing the necessary information for directors to perform their duties, and helping directors comply with legal regulations.

The training situation is as follows:
